

PASSOVER 2025

Relaxed ... Homey ... time for conversation, pondering, laughter and prayer.

Thinking about our own lives, as well as the Israelites. What milestones have we crossed since last Passover? What enemies has the LORD conquered for us? What testimonies can we share about Yeshua's Blood? What has been the cost?

We will read the story. Enjoy the Feast. Celebrate God's Victories.
And prepare for crossing The Red Sea in our own lives.

Saturday night, April 12, 5pm.
