

# Purim???

It's all about laughter, joy, victory ...  
Or at least that's how people usually celebrate it.

**But it actually has a lot to do with Passover.**

Hidden in plain sight, it contains the signature of God.  
Serious. Important. Secret. Ready to be revealed.

**We will show you His signature during our Purim Feast  
The Feast of Esther**

Come smell the smells and taste the tastes at the "Middle Eastern Marketplace," enjoy craft activities with your children, laugh, buy beautiful handmade items, listen to amazing stories of grace, eat delicious treats, (don't eat too much now ...) and then watch a fascinating drama of God's Provision. There we will reveal our secret.

Sunday, March 1  
2-5 Marketplace  
5-6 Passover in Purim? (drama)  
6-7 Prayer for Persia (Iran)

March 1, 2-7, come for as much as you can.

**Many blessings, and much love, like always!

**P.S. Both adults and children can get involved in the storytelling.  
Contact me for details.**

**P.P.S. Many times, when we have events, people don't contribute because we all feel like family. I love that!!! But it's costly to do what we do and this event has luxurious extras (you will see) so please pray to God as to how much to contribute towards our ongoing work and towards this festival. Many thanks!**
